CARROLL COUNTY CAREER and TECHNOLOGY CENTER

Sophomores have a BIG choice!

Cisco Networking… a globally recognized certification

Auto Service, Collision or Diesel… earn certifications in a real shop AND get college credit. Maybe even an internship.

Cosmetology … I may be a MD state board certified cosmetologist when I graduate

Machine Tech…learn how to run $80K CNC machine

Masonry, Carpentry, HVAC, or Carpentry… I could learn and practice NOW and do an apprenticeship when I graduate.

Biomedical Science…publish my gene sequence research

EXPERIENCED INSTRUCTORS, RECOGNIZED CERTIFICATIONS, AND COLLEGE CREDITS PLUS I GET STARTED ON MY CAREER NOW….. WHY WAIT UNTIL I GRADUATE!?

So many career options to consider!

The Carroll County Career and Technology Center PROVIDES:

Preparation for college and career readiness	**College** credit earned in your junior and senior years
A ONE YEAR head start on other students in your major or career field	
Valuable training during high school that other students have to **PAY** for after graduation	National and state **Certifications** that may qualify you for higher salaries when you graduate
The excitement of REAL-LIFE problem solving in business like settings	
Instructors with an average of 20 years of experience in their field	**Discover what a career feels like before you graduate.** WHY WAIT UNTIL YOU GRADUATE!

Please complete the enclosed application (Space is limited!)

The enclosed application should be returned to the Carroll County Career & Technology Center in the enclosed envelope by December 1st for first round consideration. Upon receiving the application, staff at the Career and Technology Center will start the screening process (Based on GPA, attendance and the rigor in Math, Science, and English courses on students' transcripts). You will be notified by mid-January of the status of your application. (10th grade students applying for the Academy of Health Professions program, Video Production and Print Production for **their senior year** should apply now and will be notified of their status in **mid-February**).
