

## Brief Constructed Response

Keena is trying to determine if the numbers below are divisible by 2, 5, or 10.

### Part A

In the space provided, write whether each number is divisible by 2, 5, or 10. Some numbers may be divisible by more than one number.

	Divisible by 2, 5, or 10?
75	_____
123	_____
240	_____
746	_____

### Part B

Use what you know about divisibility rules to explain why your answer is correct. Use words, numbers, and/or symbols in your explanation.
