

Brief Constructed Response

Sam needs to determine the value of the digits of this large number:
237,486

Part A

Write the value and numbers of each of these digits from Sam's number:

<u>Digit</u>	<u>Value in Words</u>	<u>Value in Numbers</u>
7	_____	_____
2	_____	_____
3	_____	_____

Part B

Use what you know about **** to explain why your answer is correct. Use words and/or numbers in your explanation.
