

Brief Constructed Response

This data shows the number of fifth graders who forgot their math homework last week.

Day	M	T	W	T	F
# of Students	4	7	16	8	3

Part A Use this data to draw a line graph. Mark the horizontal and vertical axes. Write a title for the graph.

Part B

Use what you know about line graphs to explain why you drew the graph and placed the points where you did. Use words and/or numbers in your explanation.
