

Brief Constructed Response

The table below shows student scores on Mr. Hicks' math test

Scores	65%	70%	75%	80%	85%	90%	95%	100%
# of Students	2	5	0	4	6	1	5	3

Part A Use the data given in the table to make a line plot.

Part B

Use what you know about line plots to explain why your drawing is correct. Use words, numbers and/or symbols in your explanation.
